Explore California

In mission.html, add external **script.js** to:

- Change the text from "Mission" to "Our Mission".

- console.log the first paragraph "We are passionate …"

- Change the Quick Nav at the bottom left to read "Our Tours", "Our Mission", "Our Contact".

- Change the contact number on the bottom right to "(65)98765432".

(You can use document.getElement(s)ByXXX or querySelector)
